

Razzle-Dazzle Y-harness

A GREAT FITTING HARNESS THAT GROWS WITH YOUR DOG

Designed with growing puppies in mind, the highly adjustable Razzle-Dazzle Y-harness will provide a nice, snug fit that can be adjusted as your dog grows. It's also padded for comfort, making it ideal for daily walks, jogging and other activities that dogs love.

The harness is quick and easy to put on and cushiony padding made from recycled material provides durable comfort on every outing. There's also an integrated handle on the back of the harness for better control of your dog on difficult terrain or in other challenging situations.

The Razzle-Dazzle Y-harness allows for ample fit flexibility as the chest, neckline and front strap are all adjustable – exactly what rapidly growing puppies need. Plus two front snap-buckles let you put the harness on without having to lift the dog's legs. The Y-harness also has a durable metal D-ring for a leash.

You can be confident using the Y-harness because its strength-tested, wear-resistant materials are no match for a young dog's boisterous play. Luminous reflector provide great visibility for enhanced safety when walking or jogging in low-light situations.

The Razzle-Dazzle Y-harness comes in 5 adjustable sizes. When selecting the suitable size for your puppy, measure the dog's chest circumference and plan for 1-2 sizes of growth for small breeds and 2-3 sizes for large breeds.

The Razzle-Dazzle product line is designed for your puppy's first outdoor explorations, adventures and socialization.

- 100% recycled 2mm PU padding combined with 70% recycled knit. (Knit: 70% recycled polyester, 20% polyester, 10% elastane)
