

Pro-Kolin⁺ 15ml, 30ml and 60ml

The immediate response to digestive upset

A highly palatable paste containing probiotics, prebiotics, kaolin and pectin.

For Cats and Dogs.

- Includes probiotics - beneficial micro-organisms to rapidly repopulate the gastrointestinal tract
- Prebiotics enhance the growth of beneficial micro-organisms
- Pectin soothes the gut lining during digestive upsets
- Contains kaolin (a natural binding agent)
- Improves consistency of stools.
