

Casual collars

The reliable and padded collars are a great fit for everyday walking and activities for all dogs. There are two different models of the collars: padded half choke collar and padded collar. The Casual collars have the most extensive size selection in the entire Hurtta product series. Thanks to the weather-proof neoprene padding and ergonomic design, the collar feels pleasant on the dog's neck. Thanks to the rugged nylon bands and its construction which has been tested for endurance, the collars can be used with a mind which is at ease. The safety locking feature of the padded collar directs the stress caused by tension away from the buckle, and makes the collar safer to use. The 3M reflectors, which circle the collar are visible from far away, and improves the visibility of the dog while out walking after dark.

The Casual product range has been designed for a demanding consumer who appreciates easy-to-use, comfortable and high-quality dog gear.

- Waterproof, 2mm neoprene padding
- In-woven 3M reflectors, luminous intensity 500cd/(lx.m2)
- Snap buckles, buckles and bands made of durable, 100%nylon
- Metal parts made of nickered steel
- Durable metal locks on both ends of the leash
- Corrosion resistance of the metal parts has been tested in the laboratory according to the EN ISO 9227 : 2017 (E) standard and found to fulfil the determined quality requirements (SGS).
- Tensile strength of the leash has been tested in the laboratory according to the SFS-EN ISO 13934-1 standard and found to fulfil the determined strength requirements (SGS).
